Decorative wall clock

The Noah's Ark wall clock is part of **Timeworks'** Storytime collection, which features fiberboard clocks laminated with artwork based on classic children's stories. Measuring 13 inches in diameter, it wholesales for \$32. The minimum first order is \$250 and the lead time is two to three weeks. See the collection at most major markets. For more information, circle or click **E*info 55** or fax 510-883-0191.
