

INFURNITURE

The monthly trend magazine for the furniture business \$10.00 OCTOBER 11, 2004

The Well-Worn Cottage

Inspirations: Classic cottage styles go rustic, weather-beaten shutters and faded paint, soft remnants of lodge

Details: Casual woods with worn-through finishes, a passel of natural finishes, forms based on country architecture, nature-inspired lamps and lighting

Think of: Seeing that battered table every summer and never wanting to replace it, leaving your dresser in the rain and liking it, coveting Grandma's stuff more than your own

SEABROOK CLASSICS covers a natural rubbed finish with black in a new wide-screen entertainment center.

ZOCALO unveils The Old Farmer's Almanac collection that includes the
